Galerie DYS is glad to announce "*Moments from the circle of life*", a solo show by the Dutch artist Pat Andrea, from October 10 until November 10 at the gallery. You are invited to meet the artist on Thursday October 17.

After having present a solo show of his works on paper during the first edition of Draw Art Fair London at the Saatchi Gallery in May, we are honoured to share with our visitors in Brussels some of the artworks presented in London, but also editions and small size paintings.

Pat Andrea(1942) lives and works between Paris, the Hague and Buenos Aires. A figurative artist, Pat Andrea sculpts, draws and paints, and the apparent classicism of his representations contrasts with the surrealist content of his work in which women are omnipresent. His ambiguous combination of realism and fantasy, of balanced composition and impossible bodies, suggests an incongruous humour. Pat Andrea has participated in exhibitions worldwide and is represented in public collections, including those of MoMA (New York), Centre Georges Pompidou (Paris), Museo Nacional de Bellas Artes (Buenos Aires), Gemeentemuseum Den Haag (The Hague), and the Stedelijk Museum (Amsterdam).
